**B**artolomeo Suppiej, registered in the Roll of Venice Solicitors, was born in Verona in 1970. He graduated with honours in administrative law, he is a legal advisor since 1998 and is a lawyer since 2004. He provides advice to companies and individuals in civil and commercial matters, with particular reference to the protection of rights in contentious and arbitration procedures. He has significant experience in various fields of civil law, commercial law, labour law, and taxation law and he is among the experts on executive law accredited to the Court of Venice. He provides legal counselling to companies and individuals in civil and commercial matters, with particular reference to the protection of rights in litigation and arbitration. He developed a particular competence in the field of real estate acquisitions and in the generational transfer of goods.

He is a founding member of Studio Camerino Suppiej, where he has planning and coordination functions.

He is fluent in English.
